

The **Tiguan Allspace**

Model specification

Welcome to the **#SUVW family**

The latest generation Tiguan Allspace comes with a new suite of modern upgrades. Featuring a refreshed exterior design, the Tiguan Allspace is poised to strengthen its position as the best-selling Volkswagen SUV worldwide, with more than 6 million units sold to date. More than just design and technology, it's an SUVW.

A big **WOW factor**

The new facelift design sports a bold radiator grille and sleek headlights, with the signature LED illuminated strip in between.

Great sense of style

The Tiguan Allspace R-Line is sporty and bold. From the black R-Line rear spoiler, front and rear bumper, front door trim panels to the front door scuff plates, it is set to stand out in any crowd.

Hit the road

Any road

Built for new adventures. The R-Line has a powerful 2.0TSI engine that promises exhilaration wherever you go. With 220PS, 350Nm of torque and a 4MOTION all-wheel drive, you can take the wheel and conquer the road.

Adapt to your preferred driving mood and needs by selecting between Eco, Comfort, Normal, Sport and Individual mode.

The R-Line also comes with Dynamic Chassis Control which helps you adjust your driving experience by modifying the suspension for each of the vehicle's wheels, plus an additional Off-Road Profile for better control and handling.

Comes with **loads of fun**

You have full freedom to utilise the generous space available on this 7-seater. Thanks to the flexible fold-down seats and additional third row seats, the Tiguan Allspace can be adapted to any situation — it's as versatile as you need it to be.

Calm, cool, **collected**

Offering comfort and convenience, the Tiguan Allspace is best of both worlds. It comes equipped with 3-zone Climatronic air conditioning, 12-way driver electric seat adjustment with powered lumbar support and massage function.

Haptic-touch air con controls allow for seamless temperature adjustment, while the Active Climate front seats, with power-adjustable lumbar support are tuned for your ultimate comfort.

Seamless, and sophisticated

The 9.2" Discover Pro infotainment system has all the information you need, from Driving Mode Selection, 3D navigation, seamless media playing, driver assistance systems and more.

Stay connected, conveniently.

The car that cares for **your safety**

The Tiguan Allspace R-Line is fitted with 7 airbags, an Automatic Post Collision Braking System, Driver Alert system with fatigue detection, anti-theft alarm systems, and advanced Electronic Differential Lock (XDS) linked to a sophisticated Electronic Stability Control (ESC) system.

Using an advanced radar system, Lane Assist warns you when you start to drift into another lane.

A sensor controlled electric tailgate system that opens and closes the tailgate with a sweep of your foot.

The Tiguan Allspace Life 1.4TSI

Exterior

Volkswagen Cares App

We are committed to care and provide the best for Volkswagen customers. More than just a loyalty program, Volkswagen Cares applies on all levels and embodies how we interact, engage, and serve our customers better. Customers may also download the Volkswagen Cares mobile application, an aftersales-led initiative to continuously improve the ownership experience. The mobile app comes with a list of features related to both sales and aftersales, including service offers, owner rewards, educational videos and tips event updates, and 24-hours' roadside assistance - all at the touch of a button.

Volkswagen Care Plus (VCP)

An integral part of Volkswagen Cares is Volkswagen Care Plus (VCP), an exclusive program for owners with a vehicle 5 years and older. With a minimal one-time payment fee, VCP member privileges include three 20% service discounts vouchers, 2-year extension of Volkswagen's Roadside Assistance, and more rewards. Interested customers can sign up at any authorised Volkswagen dealer to make payment before receiving their membership card.

Body & Paint

Safe and strong: Volkswagen Genuine Body Parts give your Volkswagen the necessary stability and offer you the best possible protection in the event of an impact. As we have developed all parts especially for your original, they fit like a glove. The result: You save time and costs in any repair and your Volkswagen remains an original through and through. Best of all, our paint and workmanship comes with 2 years warranty for peace of mind.

24-hour Roadside Assistance

When your Volkswagen has a breakdown, our 24-hour roadside assistance service team is readily available to help you with the following services:

1. Tow assistance and recovery to the nearest Volkswagen service centre.
For security reasons, towing service will not be provided to an unattended vehicle.
2. Emergency telephone call to family or friend of the Volkswagen driver.
3. Battery jump start. If your vehicle cannot be driven safely, towing services will be provided.
4. Flat-tyre change (if spare tyre is available) in a safe environment.
Otherwise, towing service will be provided.
